

PARAM

INTERNATIONAL

"We Believe in Delivering Quality and Service"

At Param International, we specialize in providing a wide range of general grocery products that cater to everyday needs—whether you're stocking retail shelves, running a restaurant, or preparing for seasonal demand. As a dedicated wholesaler, we focus on quality, variety, and reliability to help businesses thrive.

OUR MISSION

To supply high-quality grocery essentials at competitive wholesale prices, enabling our partners to serve their customers with confidence. We are committed to creating a seamless bulk buying experience marked by efficiency, affordability, and outstanding service.

OUR STORY

Born from the vision of being a reliable B2B grocery supplier, Param International started as a small family-run operation. Backed by our parent company, Shreeji Global, we've grown steadily and earned the trust of retailers and distributors across India and Kenya. With our roots firmly planted, we are now expanding into Europe, bringing with us a large, dynamic inventory and a bold vision for growth.

WHY CHOOSE US?

Massive Product Range:

From fresh produce to dry goods and packaged items, we offer a one-stop wholesale solution with plans to introduce 3,000+ products in Europe within the first year—and over 10,000 SKUs by next year.

Quality You Can Trust:

We work closely with Shreeji Global and select suppliers to ensure all products meet stringent quality and safety standards.

Customer-Centric Approach:

Our clients are our partners. Our team is dedicated to offering responsive service, clear communication, and custom supply solutions.

Scalable Supply Chain:

Whether you need pallet-loads or full container shipments, we've got the logistics network and experience to deliver.

SUSTAINABILITY AND COMMUNITY

We take our environmental responsibility seriously by promoting eco-conscious sourcing and packaging. By partnering with local producers and responsible suppliers, we aim to support the communities we serve while reducing our ecological impact.

OUR PROMISE

At Param International, we go beyond just supplying products—we build relationships. Our promise is to help your business grow through:

- Reliable Fulfillment
- Consistent Product Availability
- Transparent Dealings
- And a wholesale experience that's as smooth as it is profitable.
